GENERAL INFORMATION

The event will be held online via Microsoft Teams.
It is addressed to clinicians, biologists, principal investigators and researchers.
The official language is English.
ECM credits will not provided.
Max n. of participants: 300.

ATTENDANCE CERTIFICATE

Upon request, participants who attend at least 75% of the event's duration online and complete the satisfaction survey will receive a certificate of participation.

AIMS & OBJECTIVES

The primary goal of this webinar is to disseminate and analyze the new WHO guidelines on clinical trials. It offers to researchers, physicians, regulators, and other key stakeholders a valuable opportunity for discussion, learning, and practical application of these standards.
In this light, the event aims to foster the implementation of the new guidelines within the European and International context, with a particular focus on best practices, ethics, and innovation in clinical research.

SPEAKERS & CHAIRS

Rasmus Gjesing
Regional Adviser, Access to Medicines and Health Products
WHO Regional Office for Europe, Denmark

Ornella Gonzato
President of Fondazione Paola Gonzato ETS

Carmine Iorio
Guest Researcher - Bioethic Unit
Istituto Superiore di Sanità, Rome

Annalisa Landi
Research and Innovation Department, Gianni Benzi Foundation

Claudia Louati
Head of Policy at the European Patients' Forum Brussels

Federica Mantovani
Research Infrastructure Manager at PRP@CERIC
Area Science Park, Trieste

Amélie Michon
Head of Clinical Operations
ECRIN, France

Elena Petelos
Public Health Specialist and HTA expert
University of Crete, Greece

Maria Josè Ruiz Alvarez
Italian European Correspondent of ECRIN
Research Coordination and Promotion Service, Istituto Superiore di Sanità, Rome

Evelina Tacconelli
Head of the Infectious Diseases Division
University Hospital of Verona, Italy

Elena Toschi
Italian Coordinator of ItaCRIN, Italian European Correspondent of ECRIN
CoRi, Istituto Superiore di Sanità, Rome
